

SWEETWATER 2386 DC

Achieve total relaxation in a Sweetwater Deluxe Cruiser

Ultimate comfort and style in a pontoon is achieved with the Sweetwater 2386 Deluxe Cruiser (DC). With an out-of-the-ordinary floor plan, everyone is encouraged to join in the experience. Kick back in one of the ultra comfortable dual adjustable chairs in the bow. Easy to access storage and dual lounges make entertaining a large crowd fun for all.

Cruise in comfort in the pilot seat with adjustable arms, swivel, and slide while operating from behind the stylish fiberglass helm station complete with sporty graphite instrument panel, quick release windscreen and reliable NextWave Electrical System. A premium Jensen CD stereo system with MP3 input and four speakers maximizes entertainment on the water. Elongated radius custom rails lead the way in style.

Step aboard this 23' pontoon and take advantage in the spaciousness of the 8'6" wide deck with your crew. Equipped with the exclusive Stratech Chassis, 25" diameter compartmentalized pontoons and a full keel, Sweetwater enhances handling and performance with a smooth, stable ride that exceeds expectations.

Designed with ultimate relaxation in mind, Sweetwater furniture includes Perma-Life seats with built-in water management system, ergonomically engineered layers of multi-density foam wrapped in durable, soft to touch GX48 expanded vinyl.

Ideal for families that enjoy water activities together, the Sweetwater Deluxe Cruiser has a convenient rear gate that allows for hassle-free exiting and entering of the water from the three step ladder. It can comfortably accommodate up to 13 passengers and has a fuel capacity of 24 gallons.

A recipient of the
2008 CSI Award
for excellence in
customer satisfaction.
